## 4) The clip is now imported into a bin.

The screenshot displays the Avid Media Composer interface. The main window shows a video preview of a desk setup with a clock and a sign that reads "AVCHD 50i (PH)". Below the preview is a timeline with various playback controls. A secondary window titled "\* New Project Bin" is open, showing a table of imported clips. A red box highlights the text "Clip is imported in a bin." overlaid on the table.
